# GROUNDHOG'S DAY

## GROUNDHOG'S HOLIDAY

The second month, the second day,  
We know is Groundhog's Holiday.  
The keeper of the local zoo,  
Photographers, reporters, too,  
Anxiously await together  
Woodchuck's forecast of the weather.  
Each year this time he leaves his hearth,  
His home beneath good Mother Earth.  
He wiggles out to see the sun  
And sure enough - ask anyone -  
Should he perchance his shadow see,  
Back to his home again he'll flee.  
And that sign's still the surest thing  
Six weeks must pass before it's spring!
